It's been a truly rewarding journey completing my MBA at AGBS Pune. Despite coming from a non-finance background, I got placed in a core finance company thanks to the constant support from the faculty and the excellent efforts of our placement coordinator. The college provided me with the right opportunities, guidance, and confidence to pursue my goals. I'm truly grateful for this transformative journey.

**Devendra Khutwad,**

Specializing in Finance, I experienced a curriculum that blended theory with real-world exposure. Hands-on projects, dynamic teaching methods, and certification courses like Financial Modelling and Investment Analysis sharpened my skills and industry readiness. Amity's collaborative culture and modern infrastructure kept me motivated throughout.

Today, at Hyster-Yale, I confidently apply the core strategies and analytical thinking developed during my MBA. Grateful to Amity for turning ambition into achievement.

**Poornima Vyas,**

MBA Batch 2024-26

My experience at Amity Global Business School Pune has been one of my best decisions that I have taken. Institute is open to various cultural programmes, inter college fests, sports events, various forums, club and much more. Which gives me a great exposure to outside world. The best part of Amity is that they focus a lot on practical knowledge compared to theoretical knowledge. This helps us develop and improve our managerial skills as well our personality. It offers various management courses and has highly knowledgeable and experienced teaching faculty who are always there to guide and help whenever needed.

**Pratiksha Shankar,**

I feel truly privileged to be an Amitian. It's been only 1 Year but it already feels like home.

The faculty members and staff are very homely and helpful. There are lot of cultural events, sports events, forums, and various other activities which enhance my social skills apart from gaining theoretical knowledge. It's a great way of learning managerial skills and leadership skills being on the field.
